Slice of Jupiter

*The stark contrast of darkness  
and earth, of the earth and the golden balance –  
until a slice of the whole is revealed.  
A sheer slice that demands proportion and com-  
mands harmony.  
A half-seen lantern, lighting the path.*

## MAINTENANCE

All pieces are lacquered with a protective finish to give a durable and stain-resistant surface. Dust regularly with a soft cloth (we recommend a microfibre one) and water to clean from time to time – especially after contact with food – and then use another cloth to dry the surface. The use of solvent-based, acid and abrasive products must be avoided. Also avoid the use of appliances transmitting pressure of high temperature and adhesive tape over the metal gold leaf.

## IMPORTANT

The products of ALEX MINT Company are the result of a taxing process, completely handmade from qualified staff; they should be handled with care as forms of handmade art expression. Variation on shades of colours should be considered as natural characteristics that make this item unique and original.

## CARE INSTRUCTIONS

Our top-quality marbles used in each collection, are protected with a resin, that shields the natural stone. In order to clean them, we suggest using a very mild detergent and a non-abrasive pad or cloth. In case of a spillage event, use a clean, dry cloth immediately. The solid brass elements should also be cleaned with a damp cloth, avoiding abrasive cleaners, pads or sponges. For more details regarding your product's care, please do not hesitate to get in touch with us.
